

CEU quiz for the October 2020 issue of *Compliance Today* magazine

To receive 1.0 non-live Compliance Certification Board (CCB)[®] CEU for the following quiz, at least three questions must be answered correctly. Only the first attempt at each quiz will be accepted.

Compliance Today quizzes are valid for 12 months, beginning on the first day of the month of issue.

This quiz expires September 30, 2021.

LEARNING OBJECTIVE

After reading “OCR’s COVID-19 regulatory relief: Changing how we deliver care” (page 38) you should be able to answer the following question:

1. **According to OCR, how may an entity demonstrate good faith?**
 - A. By using public-facing remote communication products, such as TikTok, Facebook Live, Twitch, or a public chat room.
 - B. By furthering fraud, identity theft, and intentional invasion of privacy.
 - C. By disclosing PHI to the Centers for Disease Control and Prevention (CDC), or a similar public health authority at the state level, for the purpose of preventing or controlling the spread of COVID-19.
 - D. By using or disclosing patient data transmitted during a telehealth communication that are prohibited by the HIPAA Privacy Rule.

2. **On what topic has OCR issued a Notification of Enforcement Discretion?**
 - A. Breach Notifications.
 - B. Community Based Testing Sites.
 - C. Distribution of the Notice of Privacy Practices.
 - D. Patient Access to Medical Records.

LEARNING OBJECTIVE

After reading “Is your hotline ‘hot’? Approaches to improving and promoting your compliance hotline” (page 54), you should be able to answer the following question:

3. **Which of the following has government-issued guidance emphasized that organizations should establish so that any suspected or actual violations of laws and regulations can be reported by individuals to the compliance officer?**
 - A. An accounting system
 - B. A disclosure program
 - C. A purchasing system
 - D. A human resources program

LEARNING OBJECTIVE

After reading “Taking the risk out of risk adjustment: Managing exposure for ACOs” (page 66), you should be able to answer the following question:

4. **To support a code assignment, documentation must demonstrate that the provider:**
 - A. Had an encounter with the patient and examined him/her on the day the diagnosis was reported.
 - B. Had the patient fill out a questionnaire with a thorough medical history.
 - C. Monitored; evaluated; assessed; and treated, planned or referred a patient on the day that the diagnosis was reported.
 - D. Discussed all diagnoses with the patient.
